The Greenwood Library conducts Yu-Gi-Oh Programs on a monthly basis. During these events, both minors and adults participate in Yu-Gi-Oh Card games under direct supervision of a Greenwood Library staff member. During these times, both age groups are able to benefit through interaction and a shared interest in a casual card game. As stipulated in Library policy, all children under the age of 12 must be accompanied by a parent.

In order to maintain a safe and healthy environment, adults over the age of 18 are requested to read the Greenwood Library Policy of Acceptable Behaviors as listed below and sign to adhere by such guidelines, or forfeit the ability to participate in intergenerational library programs from here on.

In order to provide a friendly and safe environment for all concerned, the following is NOT PERMITTED in the library or on the grounds:

- Engaging in any activity in violation of federal, state, local or other applicable law, regulations, ordinance or statute
- Threatening, harassing, offensive, disruptive or intimidating language or behavior
- Soliciting or sales of any type not related to library activities
- Creating unjustified, intentional noise at a level which adversely affects any individuals who are working in the area and their ability to function

As an adult, you set an example to the minors you encounter in everyday situations, and this is especially true during social interactions such as game nights at the Greenwood Library. As such, Library staff and administration request that your language and behaviors reflect good taste and mindfulness as you enjoy the program.

Registration is required for each Yu-Gi-Oh program hosted by the Greenwood Library and can be completed online at greenwood.lib.de.us or by calling 349-5309.

Thank you for your participation and for your support of the Greenwood Public Library!

Respectfully,

Donna Carter
