What do you love about Greenwood?

What I love about Greenwood is the small town feel. You can take a walk around town, you see people you know, and everybody waves. There are small businesses like Amity coffee and it just has that small town feel. I really like how close-knit it is.

What makes Greenwood a good home?

What I like about Greenwood is that it has diverse weather. You get to experience all the seasons whether it be really hot or cold, you get a little bit of everything. Also, I like the small town feel. You know all your local government and things like that.

*If you had the ability to make any improvement to the town,
what would it be?*

I'd add a Wawa!

What is your current job or hobby?

I'm a volunteer firefighter in Greenwood for 13 years. That's my hobby. This is my second year as the Fire Chief. In the past I've been the Deputy Chief and the Assistant Chief. Currently I work as a paid EMT for Georgetown EMS. In Georgetown I work 24 hour shifts. So pretty much emergency services for my hobby and for work.

*We're librarians so we'd love to know, does reading enhance
this job/hobby?*

I like reading training articles like the ones in Fire Engineering magazine and stuff like that.

What are you currently reading? What formats do you prefer?

I read the Delaware Fire Service News. It's a free newspaper that they send out of all the incidents and stuff in the area. They'll describe the incidents and what happened. I also like follow certain groups on Facebook that post leadership quotes and stuff like that. I don't read a lot of books, but I do read magazines and articles.

What actor would you play in a movie?

I like history, so I'd probably play General Longstreet. Tom Berenger played it in the movie Gettysburg.

If you wrote a memoir, what would the title be?

You never know what's around the corner.
