*What do you love about Greenwood?*

I'm from Washington DC and I like the small-town, no hustle-and-bustle atmosphere of Greenwood.

*What makes Greenwood a good home?*

It's friendly. There is low crime and lots of space.

I like the fields, the farms, the chicken houses, the woods. I love to see the fields when it's misty or foggy and you can see the fog actually coming off the grass - it's just gorgeous. Coming from DC, I love that.

I guess I'm just a country girl.

*If you had the ability to make any improvement to the town, what would it be?*

I would love to have a grocery store. You have to either go to Harrington or Bridgeville; I don't know if we have the population to support it, but having a grocery store would be great.

*What is your current job or hobby?*

My current job is site manager for Greenwood CHEER Senior Center. I coordinate the activities; we do Meals on Wheels and congregate meals. I have to arrange entertainment and make sure I keep the guys busy. I just started a new program for a local food program with the Food Bank of Delaware, and I'm starting another program in December for the commodities supplemental food program.

If a person qualifies, the food is delivered here once a month, and we prepare it to be delivered to the senior by DoorDash.

For my hobby, I'm a hunter - deer, squirrels, and rabbits.  
I'm a pretty good shot!

*What was your favorite childhood book?*

Nancy Drew.

*What actor would play you in a movie?*

Meryl Streep

*If you wrote a memoir, what would the title be?*

Not sure of the exact title, but it would have to include my sister. I have six brothers and one sister. I'm two years older than she is and treasure our time together.

*Do you have any ideas for how Greenwood could be a stronger and more connected community?*

I've only been to the Greenwood Night Out once, but I loved how everyone came together and was happy. I'd like to see that more often, events bringing the whole town together.
