Don't be a stranger, become a friend today!

The Friends of the Greenwood Public Library ("The Friends") are a non-profit group of volunteers dedicated to serving the library and the community.

WHAT WE DO

- **Fundraising** for major projects
- **Volunteering** to support programs the Library couldn't otherwise provide.
- **Purchase** the "extras" that the Library needs!
- **Telling people** about everything the Library has to offer!
- **Participating** at the Kiwanis BBQ
- ... **And so much more!**

Currently, The Friends sponsor LEAP (Read to The Dogs), Feelings Rock, and refreshments for the library's Summer Reading Program!

Teens are highly encouraged to join The Friends! There's more to being a Friend than financial support. The Friends are a great way to volunteer, get experience, and *get involved in your community!*
